BLEST ARE WE

FAITH IN ACTION SCHOOL EDITION

Introduction

RCL Benziger thanks you for the opportunity to correlate *Blest Are We Faith in Action School Edition* Grades PreK through 8 with your diocesan Religion Standards. In preparing this correlation, it became clear that the spiral-thematic approach to catechesis that is central to *Blest Are We Faith in Action* revealed that concepts required by your standards were sometimes presented earlier, sometimes presented later, and often appropriately revisited on many grade levels.

To help you understand RCL Benziger’s correlation of your standards with *Blest Are We Faith in Action*, we would like to point out several unique qualities of the program.

- The structure of *Blest Are We Faith in Action* is based on presenting a specific doctrinal theme each year and incorporating the four pillars of the *Catechism of the Catholic Church*. This structure applies to every level of *Blest Are We Faith in Action*. This thematic approach enables students, catechists, and families to revisit and deepen their understanding of the doctrinal, liturgical, and moral concepts and practices of the Catholic faith many times throughout Grades PreK–8.
- A Faith In Action page is featured for each chapter. These pages establish a strong connection to Catholic Social Teaching. Each grade level also provides a unique presentation of Sacred Scripture designed to develop biblical literacy through an introductory lesson and activities.
- A special unit, Feasts & Seasons, provides lessons, activities, and prayerful reflections for teaching the seasons of the liturgical year and select feast days of the Church at every grade level (Grades PreK–8) of *Blest Are We Faith in Action*.
- A special section of each text, “Our Catholic Heritage,” presents an age-appropriate summary of basic Catholic beliefs organized according to the four pillars of the *Catechism of the Catholic Church*. This mini-catechism complements the doctrinal content of the chapters of *Blest Are We Faith in Action*.
