A MESSAGE FROM THE SUPERINTENDENT

Dear Principals,

Welcome to the second semester! I hope you had a restful Christmas Break and are ready for a busy semester ahead. As announced in my recent email, our next Principals' Meeting will take place on Thursday, Jan. 19 at St. Timothy School. This meeting will begin at 8:45 AM, with hospitality (including light breakfast) starting at 8:15. It will be wonderful to be with our principals in the new year!

We have also been working hard on the Master Calendar for 2023/24. I know that you are eager to get access to this calendar. While a draft has been developed, we are waiting until Miami-Dade School District releases their calendar (Broward released a Master Calendar before Christmas). While we do not necessarily follow the public schools, we prefer to use their calendars as a reference. I believe the Miami-Dade calendar will be released in the next few days. If not, our plan is to release the calendar by the end of the month.

As always, this Newsletter is full of important information. I encourage you to read this information carefully and follow up with questions as needed.

Yours in Christ

Jim Rigg, Ph.D.
Secretary of Education
Superintendent of Catholic Schools

ST. THOMAS UNIVERSITY PROGRAM

We are thrilled this week to begin the new MS in Catholic School Leadership program, in partnership with St. Thomas University! This program is designed for current Archdiocesan school teachers who wish to become principals. We had over 40 inquiries about the program, and 14 students have been accepted into our first cohort. Classes began this week for this two-year program. Thank you to all principals who nominated participants!
