

MAJOR GIFTS

POLICY

All parishes, programs and related entities within the Archdiocese of Miami shall communicate and collaborate with the Archdiocesan Development Office for all major gifts in excess of \$25,000.

PURPOSE

The purpose of this policy is to specifically identify when parishes, programs and related entities within the Archdiocese of Miami are required to involve the ADOM Development Corporation when cultivating, soliciting and obtaining major gifts. Although all parishes, programs and related entities within the Archdiocese of Miami are encouraged to fundraise for major gifts, it is essential that they collaborate with the ADOM Development Corporation to avoid duplicative solicitations and external appearances as a united front to donors.
